## Dining Hall

Our Dining Hall is currently under construction, scheduled to be completed by the end of this year. We're excited to be able to even better serve your group!

In our main dining room we serve all of our meals *family style*.

This means that our 4.12 Leadership Training Students bring the food right to your table & wait on you for more food & drink refills. Then, when you're finished, they will take your plates & bowls and do the dishes! *You do NONE of the clean up at Joy El!* We take care of that so you can focus on why you came. All lunches & dinners are served with all you can eat salad bars, & our breakfasts come with a full cereal bar!

We can also accommodate special dietary needs!
